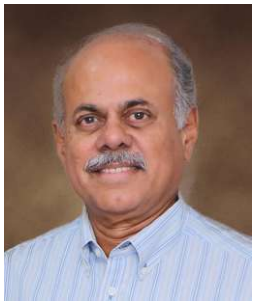
SNR SONS CHARITABLE TRUST

Motto of the Trust

- To ensure total commitment to the social cause in a selfless mission to give relief to the needy and the poor
- To provide quality healthcare to the needy
- To serve with enlightenment through education to produce graduates in different fields - General, Technical and Professional Education including Medical, Dental and Paramedical Sciences with competitive spirit and competence to serve the society and the country

Board of Trustees

The Board of Trustees is committed morally to the efficient functioning of the Trust and also to improve its efficiency on a continual basis. The Present Board of Trustees are:



Thiru. D. Lakshminarayanaswamy
Managing Trustee

Thiru. R. Sundar
Joint Managing Trustee

Thiru. S. Narendran
Trustee

Thiru. V. Ramakrishna
Trustee

Principal

Dr. M. Paulraj
Principal

Dr. Paulraj M, Principal of the college has over 38 years of valuable experience in the field of education. Previously he had worked as Professor in the School of Mechatronics Engineering at Universiti Malaysia Perlis, Malaysia. He holds a Ph.D. in Computer Science and possesses more than a decade of Research and Guiding Experience in the field of Brain Machine Interface and Soft Computing. He had also worked in Universiti Malaysia Sabah, Kota Kinabalu and Government College of Technology, Coimbatore, Tamil Nadu, India.

Dr. M. Paulraj's vision is to make SRIT **"Globally Visible"**. Therefore, he tries to make his faculty members and students globally visible by motivating them to contribute more on research and teaching-learning process. He also directs the faculty members to publish more papers in Peer Reviewed Journals and receive funds from Funding Agencies for their Project and Consultancy works. He is a lover of Project Exhibitions. Hence he encourages his faculty members and students to do more research projects and exhibit them in Exhibitions being conducted in various parts of the world.

His rich knowledge and exposure to the world has empowered him to be an academic leader. He is a strong believer of ***"teaching the student and not the subject"*** which involves experiential learning strategies that foster critical thinking.

Vision

Our Vision is to develop into a World Class Technological Institute with centres of excellence in various disciplines by providing quality and value-based education with continuous upgradation of infrastructure, human resources and teaching-learning process.

Mission

Our Mission is to produce Quality Engineers, Scientists and Managers equipped with unbounded technical skills, domain knowledge and excellent moral values, for the advancement of the industry, business and for the emancipation of society.

Motto

Wisdom - Discipline - Prosperity

Quick Fact

- Impressive infrastructure
- Campus with modern amenities in hostel and mess
- Well stocked resource centre comprising of 50,000+ books, journals and magazines
- Student friendly Curriculum, Syllabus & Pedagogy
- Multi-disciplinary Value Added Courses to enhance employability
- Entrepreneurial ambience with operational excellence
- Rich faculty capital with wide expertise
- Adjunct Professors of practice for industry exposure
- Clubs and forums for sharpening skills
- International Industrial Visits for global awareness

INNOVATION EXCELLENCE IN INTERNATIONAL FORUM

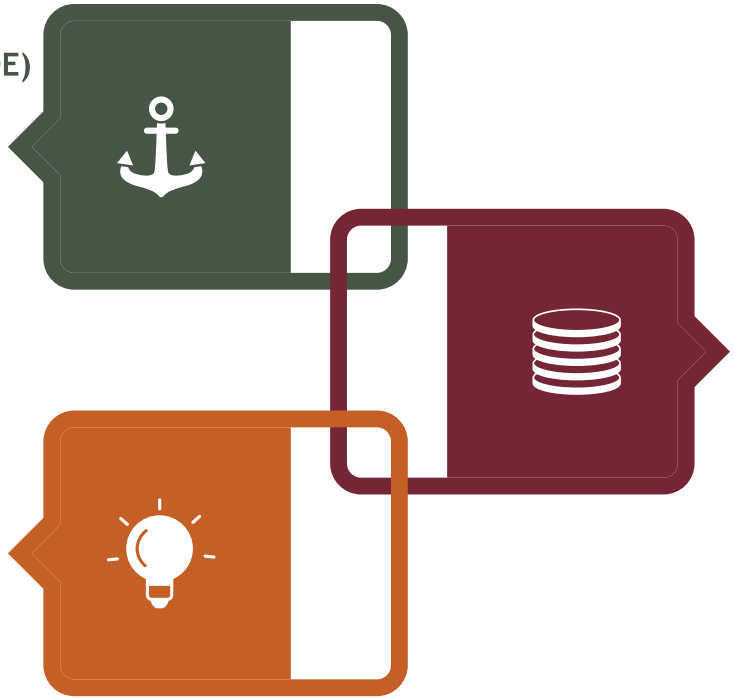
The International Virtual Expo of Innovation Product and System DEsign(InVIDE) 2021, UniMAP Malaysia
Won 8 Gold Awards, 18 Silver Awards, 27 Bronze awards + 1 Special Award



International Innovation, Creativity and Technology Exhibition (I2Create-20121), Kuala Lumpur, Malaysia
Won 15 Gold Awards, 26 Silver Awards, 6 Bronze awards and I2Create-20121 Outstanding Organization Award

World Invention Creativity Olympic (WICO) 2021, Korea University Invention Association, Seoul, South Korea
Won 3 Gold Medal & 2 Silver Medal

Counselling Code: 2725

Department of Electrical and Electronics Engineering

Programmes Offered

B.E. - Electrical & Electronics Engineering
M.E. - Power Systems Engineering
Ph.D. - Recognized Research Centre of Anna University, Chennai.

Professor and Head

Dr. C.R. Hema, M.E., Ph.D.
33 Years of Experience in Teaching and Industry.

Department of Electronics and Communication Engineering

Programmes Offered

B.E. - Electronics and communication Engineering
M.E. - Communication Systems
Ph.D. - Recognized Research Centre of Anna University, Chennai.

Professor and Head

Dr. S. Anila, M.E., Ph.D.
20 Years of Experience in Teaching and Industry.

Counselling Code: 2725

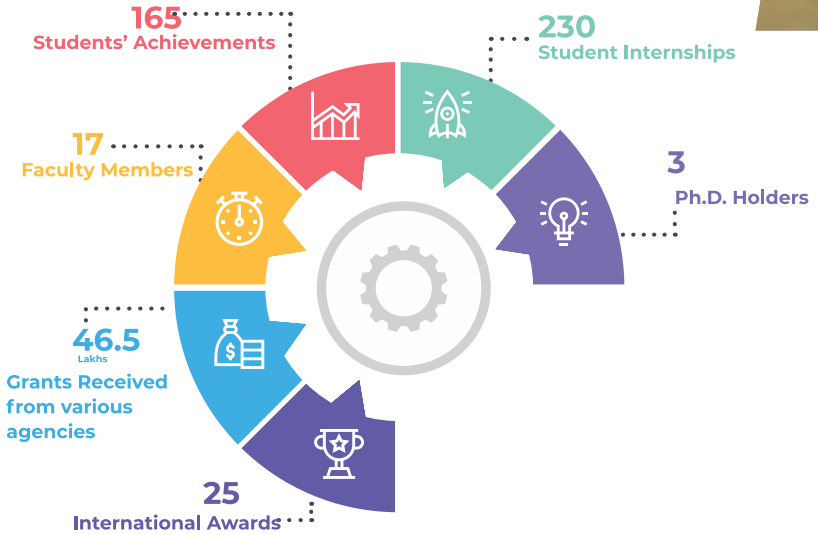
Department of Mechanical Engineering

Programmes Offered

B.E. - Mechanical Engineering.

Professor and Head

Dr. B. Chokkalingam, M.E., Ph.D.
33 Years of Experience in Teaching and Industry



Counselling Code: 2725

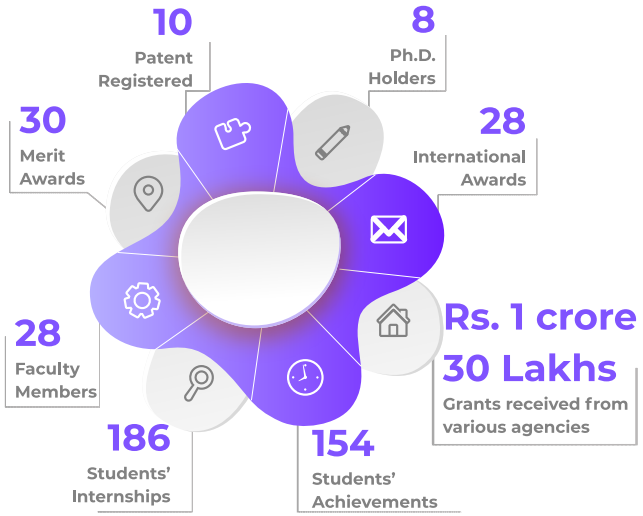
Department of Computer Science and Engineering

Programmes Offered

B.E. - Computer Science and Engineering
M.E. - Computer Science and Engineering
Ph.D. - Recognized Research Centre of Anna University, Chennai.

Professor and Head

Dr. R.M.S Parvathi, M.E., Ph.D.
33 Years of Experience in Teaching and Industry.



Department of Information Technology

Programmes Offered

B.Tech. - Information Technology.

Professor and Head

Dr. M. Suresh Kumar, M.E., Ph.D.,
27 Years of Experience in Teaching and Industry

Counselling Code: 2725

Department of Science and Humanities

- Ph.D. - Recognized Research Centre for Physics and Mathematics under Anna University, Chennai.
- The Department offers Cambridge English Certificate in collaboration with British Council.

Professor and Head
Dept. of Mathematics

Dr. S. Nagarani, M.Sc., M.Phil., Ph.D.,
23 Years of Experience in Teaching and Industry

Associate Professor
Dept. of Physical Sciences & Humanities

Dr. V. Chitra, M.Sc., M.Phil., Ph.D.
28 Years of Experience in Teaching and Industry

Our Recruiters

Career Development and Placement Division

- Exclusive Career Development and Placement Division prepares the students for higher education and placement. The division collaborates with leading Corporates, Institutes and assists in internship and training programs for students.
- The division focuses in the development of Analytical Abilities, Problem Solving Skills and Logical Reasoning through extensive training from First year onwards.
- Training to enhance the Listening, Speaking, Reading and Writing Skills leading to Business English Certificates from University of Cambridge.
- Conducts Mock Group Discussion and Interview Sessions through experienced alumni.
- VALTACE (Verbal Analytical Logical Technical Assessment of Competency towards Employability), an in-built platform is available for career enhancement

Consultancy Works & Funded Projects

- Human mimicking robot for aerodynamic solutions in Boeing aircraft composite Panel Smart Precisiom Painting System received a total fund of Rs.1,29,60,000/- lakhs from Malaysia Technical Unviersity Network (MTUN)
- Development of Acoustic Based Steam Leak Detection for Power Boilers - Micromax Systems, Trichy
- Development of Loop powered Current Isolator for Process Industries - Sertel Electronics, Chennai
- Role of Experiential Learning in developing leadership skills among engineering students - AICTE
- Cancer Targeted Photo Thermal Therapy using Gold Nano Particles - Tamilnadu State Council for Science &Technology (TNSCST)
- Conversion of Textile Dyeing Sludge into Building Materials - The Dyers Association of Tirupur
- Stabilization of Uncertain Dynamical Systems by Robust Reliable Control - Department of Atomic Energy, GoI
- AICTE Modernisation & Removal of Obsolescence - Electrical Machines, Concrete, Electronics & Mechatronics Lab
- AICTE Research Promotion Scheme - Civil, EEE & ECE received Fund Rs. 28.75 Lakhs

ALUMNI VOICE

★★★★☆

It was my immense pleasure and fortune to be the part of Sri Ramakrishna Institute of Technology where I can grow. The entire faculty and department leaves no stone unturned to shape one's future. My four years at SRIT have been a wonderful experience of learning with prolific exposure to outside. Huge respect, love and devotion for entire faculty members and department. It's their efforts that make me count myself into better professionals.

N.S.Parthipan
Bogie Engineer
Alstom Transport India Limited
Bangalore

★★★★★

Sri Ramakrishna Institute of Technology has been a great contributor to the development of my personality. I have established my leadership, time management and team skills and have also been able to advance these skills to the whole new augment level. With an attitude of being ever ready to help, and not only delivering classroom teachings, but they are also the pillars of the learning gained from this esteemed institution and this is a treasure of life

Sreevishnu K
Manager - Business Development

★★★★☆

SRIT has played a substantial role in my academic career and overall life. It helped me achieve my best by providing a great competitive environment with well-qualified, friendly and supportive teachers, students and staffs. From my best friends to my best memories and excellent academic career, everything is indebted to SRIT . As a student, and alumni of SRIT , I would like to thank the entire SRIT family for providing such a wonderful educational platform for students from different corners of Tamil Nadu.

Dilibban.V.R.R
Quality Inspector
M.N.Auto products
Coimbatore

ALUMNI VOICE

★★★★☆

"I am a proud SRITian as I got all the opportunities as a student in exploring different technologies over the curriculum, which created continuous learning attitude in me. At SRIT, I received excellent mentorship from the Faculty which helped me personally and career wise. I was given the opportunity to collaborate with International mentors by participating in international events to display the project works done and explore the big events. I thank the Management, Principal and all the faculty of SRIT for providing us a student friendly environment, guidance and supportive placements in reputed organizations".

Saanjeev S
Associate Software Engineer
Torry Harris Integration Solutions
Bangalore
Alumni (2015 - 2019)
Department of EEE

★★★★★

My experience here at SRIT was extremely rewarding. Not only did I learn all the essentials to become a professional but the professors really pushed me to be my best. Good reputation, well structured infrastructure, very supportive faculty, quality education with up to date technology are just some of the things I am reminded of thinking about SRIT. I owe many thanks to all my professors who gave me the freedom that I needed to prepare for Masters and guided me in every step towards it and made the process look easy. Everyone had a share in motivating me to reach my goals, and for that, I will forever be grateful.

Mary Majhela M
Senior Associate
Syncchron Inc. New Jersey,USA
Alumni (2011 - 2015)
Department of IT

★★★★☆

SRIT is a place that would be cherished forever with evergreen memories. It is a place where one can learn and importantly apply the learning. Our faculty have always encouraged us to try new technologies and learn out of the syllabus by providing a helping hand as and when required. We got to learn new technologies through practical hands-on experience which was later found to be very useful at my workplace.

I am always thankful to SRIT and IT department.

Ms.T. Kalaranjani
Technology Analyst
Infosys, Chennai
Alumni (2007 - 2011)
Department of IT

ALUMNI VOICE

S. Hariharan
Doing Masters in Rensselaer Polytechnic Institute, New York, USA
Alumni (2015-2019)
Department of CSE

"When I decided to opt for higher education in my final year I had tremendous support from my departmental staff and Principal of the college in the admission process. I stand deeply indebted to their ability to bring out the best in me and SRIT provided the right foundation and platform to prepare, nurture, and launch oneself into their professional pursuit. I can state with confidence today that the institution played a key role in moulding my personae towards achieving holistic growth and in decision making when it is about your own career path and goals. It would be an understatement to praise/appreciate the faculty for their dedication, devotion in bringing out the best from the students that they dealt with. Be it academic curriculum, industry experience, technology appreciation, and vision of the future, the faculty helped me immensely in traversing this unfamiliar terrain with the utmost ease."

Shaarika Lal
Application Consultant
Tetherfi, Singapore
Alumni (2011-2015)
Department of CSE

"SRIT helped me prepare for the real world. Learned here not just engineering, but also how to be a capable adult, for which I will always be grateful. Studying at SRIT has been an experience of a lifetime. I received a lot of support and confidence to pursue technical and design projects from my teachers. I was able to actively learn my subjects while having the freedom to explore other cultural and technical activities such as symposiums, competitions and college fests. The faculty has always been immensely supportive of my interest in design, and I was actively encouraged to turn my passion into work by forming our own clubs and organizing training sessions. I was able to grow as a person, and hone my abilities in team management, problem solving and adaptive learning - which play a big role in my career as well."

ALUMNI VOICE

SHAMEER H
Solutions Architect - Verticurl,
A WPP Company
London
Alumni (2007 - 2011)
Department of ECE

"SRIT has sowed many thoughtful skills in me through their amazing faculty and education processes. In fact, who wouldn't love a place full of balanced learning system, smart classes, practicing real-life problems, motivating professors, life shaping sculptors, perfect guidance and an admiring climate? It is such a piece of land from where I carry many unforgettable and forever cherishing memories throughout my life. Indeed, it's all coming from a proud SRITian."

Manickam Krishnan
Senior IT Infrastructure Engineer
Dell EMC, Bangalore
Alumni (2010 - 2014)
Department of ECE

"It was a great time, spent in SRIT. Faculty members here are wonderful and very cooperative. The relation between faculty members and the students is always very cordial, which gave me an opportunity to excel further. The four years spent here was splendid and has helped me excel professionally as well as personally. The various co-curricular activities built confidence and leadership skills in us. Attending the National Level Fest was a major experience, which helped me understand my potential and overcome my insecurities. The ambience of the college has always been so positive and encourages to learn new things. I cherish the memories, the favorite past times I had in my life at SRIT! I look forward to keep in touch always while I am away."

Mathan Muthusamy
Senior Engineer
Tata Elxsi
Thiruvananthapuram
Alumni (2009 - 2013)
Department of EEE

College days are always unforgettable in our life time. I really enjoyed each and every moment in my college life. We have the best faculty in this college who were both, a guide as well as a friend, to us. Still we all are in touch with them to share our professional experiences and life. We have got industrial standard laboratory facilities and good infrastructure in SRIT. In the end of our college life, we felt we had the best experience.
