# 2017-18

## CALENDAR 2017-18

---

## Vision

Our Vision is to develop into a World Class Technological Institute with centres of excellence in various disciplines by providing quality and value-based education with continuous upgradation of infrastructure, human resources and teaching-learning process.

## Mission

Our Mission is to produce Quality Engineers, Scientists and Managers equipped with unbounded technical skills, domain knowledge and excellent moral values, for the advancement of the industry, business and for the emancipation of society.

## Our Motto

*Wisdom - Discipline - Prosperity*

---

# P L E D G E

## Pledge

India is my country, All Indians are  
my brothers and sisters.

I love my country and I am proud of its rich  
and varied heritage.

I shall give my parents, teachers and all elders respect  
and treat every one with courtesy.

To my country and my people  
I pledge my devotion. In their well-being  
and prosperity alone lies my happiness.

## Prayer

Make me a channel of your peace:  
Where there is despair in life let me bring hope,  
Where there is darkness, - only light,  
And where there's sadness, ever joy.

## SUBJECTS OF STUDY

### B.E. / B.Tech. DEGREE

(Accredited by National Board of Accreditation)

#### ANNA UNIVERSITY PROGRAMME OUTCOMES (PO) FOR ALL UG PROGRAMMES

- PO1 : **Engineering knowledge:** Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.
- PO2 : **Problem analysis:** Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.
- PO3 : **Design/development of solutions:** design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.
- PO4 : **Conduct investigations of complex problems:** Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.
- PO5 : **Modern tool usage:** Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modeling to complex engineering activities with an understanding of the limitations.
- PO6 : **The engineer and society:** Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.
- PO7 : **Environment and sustainability:** Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
- PO8 : **Ethics:** Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
- PO9 : **Individual and team work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
- PO10 : **Communication:** Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.
- PO11 : **Project management and finance:** demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.
- PO12 : **Life-long learning:** Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

## DEPARTMENT OF CIVIL ENGINEERING

### VISION

The vision of Civil Engineering department is (1) to become a leading center of excellence in Building Materials by providing a quality Civil Engineering Education (2) to contribute in research activities for recognition at National and International levels.

### MISSION

The Mission of Civil Engineering department is (1) to produce Civil Engineering graduates with advanced skills and knowledge in diversified areas in Civil Engineering (2) to prepare the students and faculty in designing Eco Friendly buildings for healthy and safe living.

### PROGRAMME EDUCATIONAL OBJECTIVES (PEO)

- PEO1 : Knowledge : Possess a mastery of fundamental knowledge, problem solving skills, engineering application abilities and design capabilities for advancement in their career.
- PEO2 : Profession: Practice the Civil Engineering profession with ethical standards in executing Civil Engineering and multi disciplinary projects on a global level.
- PEO3 : Self-Learning: Adopt the modern technology by incorporating social, economical and environmental values through life-long learning with effective team work, communication skill and leadership qualities.

## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

### VISION

To be a Centre of Excellence in Computer Science and Engineering,  
To promote the value of education and higher learning,  
To develop positive attitude among students, and  
To be productive based on the needs of our society.

### MISSION

To prepare the students for a prospective career in the industry, academia, and public sector organizations,  
To provide an outstanding environment for teaching, learning and research, and  
To train the students in applying theory for practical applications.

### PROGRAMME EDUCATIONAL OBJECTIVES (PEO)

Consistent with the stated Vision and Mission of the Institute and the Programme, the faculty of the department of Computer Science and Engineering strive to educate and train the students in a technologically sound and challenging environment in order to achieve the following educational objectives:

- PEO 1 : Graduates of Computer Science and Engineering Programme will have successful technical / professional career.
- PEO 2 : Graduates of Computer Science and Engineering Programme will continue to learn and adapt in a world of constantly evolving technology.
- PEO 3 : Graduates of Computer Science and Engineering Programme are proficient and competent with sound knowledge, skills and attitudes that will allow them to make tangible contributions, meet new technological challenges, contribute effectively as team members, and be innovators in computer hardware, software, design, analysis and applications for the real life problems.

## DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

### VISION

The Vision of Electronics and Communication Engineering is to produce professionally challenging and socially profound engineers, capable of working in global environment with Centre of Excellence in Communication Engineering.

### MISSION

- To produce quality engineers with managerial skill, ethical and professional standards.
- To nurture originality, creativity, integration, development activities and apply knowledge on Electronics and Communication Engineering.
- To impart the basic and modern skills effectively to meet the present and future demands of industry and societal needs.

### PROGRAMME EDUCATIONAL OBJECTIVES (PEO)

- PEO1 : Graduates of Electronics and Communication Engineering Programme will have successful career by attaining professional competency.
- PEO2 : Graduates of Electronics and Communication Engineering Programme will have the ability to design and implement solutions to satisfy the customer needs.
- PEO3 : Graduates of Electronics and Communication Engineering Programme will adapt to ever-changing technological environment and engage in life-long learning.

## DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

### VISION

To become a preferred destination to the industry and society with the contribution towards economic and social growth by providing potential human resources, through excellence in teaching, research and development.

### MISSION

To produce Electrical and Electronics Engineers with human, social and intellectual qualities, who can engage in research activities leading to technically sound innovations for the benefit of industry and society.

### PROGRAMME EDUCATIONAL OBJECTIVES (PEO)

- PEO1 : Excel in professional career and / or higher education by acquiring knowledge in mathematical, scientific and engineering principles.
- PEO2 : Analyze real life problems, design electrical systems appropriate to its solutions that are technically sound, economically feasible and socially acceptable.
- PEO3 : Exhibit professionalism, ethical attitude, communication skills, team work in their profession and adapt to recent trends through continuous learning.

## DEPARTMENT OF MECHANICAL ENGINEERING

### VISION

To develop the Mechanical Engineering department comparable with world class Institutions, by creating centers of excellence in the field of Manufacturing Engineering and promoting Entrepreneurship with value-based teaching - learning process.

### MISSION

Imparting quality education to the students and enhancing their skills to make them high quality Mechanical Engineers.

To provide state of art research facilities for the students to enhance their technical knowledge for the development of industry.

Create links with world class educational institutions and R&D organizations to excel in research and serve the community.

### PROGRAMME EDUCATIONAL OBJECTIVES (PEO)

- PEO1 : Be able to apply the principles of Mechanical Engineering to solve real time problems and succeed in their career.
- PEO2 : Be able to contribute and communicate effectively in multidisciplinary projects and perform services related to Mechanical Engineering to meet the customer requirements in both quality and quantity.
- PEO3 : Be able to update the modern trends in engineering and technology through continuous learning and be the leaders in their profession.

## DEPARTMENT OF INFORMATION TECHNOLOGY

### VISION

Our Vision is to develop the department as a centre of excellence in Information Technology comparable with best institutions in India by upgrading Hardware, Software and improving the quality of faculty.

### MISSION

Our Mission is to develop Quality IT professionals equipped with domain knowledge, analytical skills with creativity and high moral values for the advancement of technological excellence.

### PROGRAMME EDUCATIONAL OBJECTIVES (PEO)

PEO 1 : To produce high quality graduates who can face the challenges in the developing field of Information Technology and also pursue higher studies in India and Abroad by acquiring sound knowledge in Engineering, Computing and Mathematics

PEO 2 : The Information Technology graduates shall be able to design the computing systems with highest standard to satisfy the needs of the society with reasonable cost.

PEO 3 : The graduates shall have Ethical Attitude and shall satisfy the needs of the industries and research institutions in India and Abroad.

**ANNA UNIVERSITY**

### **MASTER OF BUSINESS ADMINISTRATION**

#### **VISION**

To develop the SRIT Business School as a centre of relevance and excellence in management education, business research, industrial consultancy and entrepreneurship development.

#### **MISSION**

To produce competent managers with excellent leadership quality, provide appropriate managerial knowledge to the business community and sincerely serve the society for inclusive development.

#### **PROGRAMME EDUCATIONAL OBJECTIVES (PEO)**

- PEO1 : To provide students with holistic knowledge, adequate skills and behavioral abilities to productively manage business and also to pursue responsible research endeavors.
- PEO2 : To educate students with good business and management breadth to enable them comprehend, analyze, design and develop innovative products, services and strategies for real life business problems and opportunities.
- PEO3 : To prepare students with ability to create and maintain an organizational environment of excellence, leadership, business ethics and the life long learning needed for successful business.

#### **PROGRAMME OUTCOMES (PO)**

- PO1 : Apply knowledge of Mathematics, Statistics, Economics, Legal, Psychology, Accounting, Management fundamentals and dual management specialization to the solutions of complex business management problems and strategies for emerging globalized business opportunities.
- PO2 : Design solutions / strategies for complex business management problems / opportunities that meet specified business needs with appropriate consideration for economical, cultural, technical, societal and environmental issues for sustainable development.
- PO3 : Create, select and apply appropriate methods, techniques, resources and modern management and ICT tools to complex business processes with an understanding of the limitations.

PO4 : Apply business management principles and commit to managerial ethics and norms as a competent manager and function effectively as a member and leader in diverse teams to manage projects and strategic business units in multidisciplinary and multicultural environments.

PO5 : Communicate effectively on business management activities with the business community and with society at large, such as being able to comprehend and write effective reports, design documentations and make effective presentations.

PO6 : Recognize the need for and have the preparation and ability to engage in independent and life long learning in the broadest context of business environmental change.

## GENERAL RULES AND REGULATIONS

### I. LEAVE RULES

1. Applications for leave must be submitted in advance in the prescribed format. It should be signed by the tutor and the HOD before being approved by the Principal. Any leave availed without prior permission should be justified by stating the reasons clearly accompanied by proper proof such as medical certificate / leave letter from parents.
2. Permission to leave the college premises during the working hours will be granted only by the Principal.
3. Medical certificate should be produced for a sick leave. Students should produce evidence for the unforeseen cause if it is not sick leave. All students doing project work outside the campus should submit an attendance certificate from the company for the period they have attended. Students should get prior permission to bring their own materials inside the college campus for doing project or other works and also should get the gate pass to take back their materials.

### II. STUDENTS SHOULD OBSERVE THE FOLLOWING RULES STRICTLY

1. Students are expected to be punctual to the class.
2. They have to stand up and greet the faculty member when he/she enters the class room.
3. While the class is in progress they can leave the class room for a valid reason only after obtaining permission from the staff-in-charge.
4. They are forbidden from making any noise or creating any disturbance during class hours.
5. They are instructed to be polite and obedient to elders and courteous to all.
6. They should not throw papers anywhere in the college premises. All waste materials are to be disposed in the dust bins provided.
7. Writing anything on the walls or desks or on any property in college premises is strictly forbidden.
8. No meeting / gathering of any kind shall be organised inside or outside the campus without the written permission from the Principal.
9. Students shall not collect money from anyone for any purpose without prior permission from the Principal.
10. No notice of any kind can be circulated by the students or pasted anywhere in the college campus without prior permission from the Principal.

- 
11. No student shall take part in any political activity. They are not to hold any office/post associated with any Political Party.
  12. Students are responsible for their belongings. The college will not be responsible for any loss of property.
  13. Any unclaimed property found in the premises must be handed over to the office with relevant details.
  14. Students should make it a habit to read the notice / circulars and other papers displayed on the Notice Board and take appropriate action as directed therein.
  15. Guidelines prescribed by the Principal for various activities and events should be strictly followed.
  16. Change of address is to be intimated to the office promptly.
  17. Students coming in their own vehicle should park the vehicles in the place allotted for them.
  18. Wearing helmet and possessing driving license while driving two wheelers inside the campus is compulsory.
  19. Students should desist from soiling the walls with their footwear marks.
  20. Wandering in the veranda is strictly prohibited.
  21. They are expected to keep their environment clean and healthy.
  22. Lanyard along with ID card is to be worn as long as the student is in the college campus.
  23. Use of cell phone by the students is banned inside the college premises.
  24. Government of Tamilnadu has issued very strict instruction regarding RAGGING. Any Student found or reported to have indulged in or encouraged ragging will be dismissed from the College and legal steps will be taken as per Tamilnadu Government Gazette Extraordinary, Act No. 7 of 1997 and as per the order of the Honorable Supreme Court of India. The ragging incident will also be reported to the University and Director of Technical Education for further action.
  25. Smoking, as well as consumption of any intoxicants, is strictly prohibited inside the campus.
  26. Student must not indulge in any activity inside or outside the campus that might bring discredit to the College.
  27. Self-discipline is expected from students at all common places like class rooms, library, playground, canteen, common functions etc. failing which disciplinary action will be taken.
  28. In academic and disciplinary matters, the decision of the Principal is final.
-

---

### III. DRESS CODE

Every student of the college shall wear proper fitting clothes considered decent and acceptable.

**Boys:** Monday and Friday Complete Formals (with Tie), Remaining days shoes Compulsory

**Girls:** Shoes Compulsory on all days.

### IV. DRESS REGULATIONS DURING PRACTICALS

1. **Boys:** Uniform Pant with shirt tucked in is to be worn along with closed footwear.
2. **Girls:** Overcoat is to be worn over the regular dress along with the closed footwear.
3. Loose garments of any sort and chappals shall not be worn in the practical classes and during field works.

### V. MENTOR – MENTEE SYSTEM

Twenty students (from first year to final year) are allotted as Mentees for each faculty member who is the Mentor for continuous mentoring for the holistic academic and career advancement of each student.

### VI. STUDENT COUNSELING

Schedule : Every Wednesday and Friday 10.30 am to 12.00 noon

Name : Mr. P. P. Suthesh

Qualification : M.Sc. Applied Psychology, MSW (Medical & Psychiatry)

Mobile No : 96987 38637

### VII. LIBRARY RULES

1. The library is open from 8.45 A.M to 7.30 P.M on all working days except Government holidays.
2. Silence should be maintained in the library.
3. Students are given two borrower's tickets and they are allowed to borrow two books from the library. Pre-final year, final year and PG students will be given three borrower's tickets.
4. If books are not returned on the due date, a fine of Re. 1/- per day will be collected.
5. Student should take care of the books without causing damage of any sort like folding or underlining with a pen or pencil.
6. In case of loss of book, the student will have to bear the responsibility for replacing with a new one, and if the book is not available, three times the actual cost of the book will be collected.

### VIII. MANAGEMENT FUNDED STUDENT RESEARCH PROJECT

Programme	Eligibility	Members Per Team	No of Projects Per Year	Maximum Funding Amount Per Project
UG	Pre Final Year / Final Year	2 to 4	12	₹ 7,500
PG	Final Year	1	5	₹ 20,000

### IX. SCHOLARSHIPS AND AWARDS

The students are offered with Merit, First Graduate, AICTE Tuition Fee Waiver, BC, MBC, and SC/ST Scholarships regularly.

Apart from scholarships, various awards are also instituted by SNR Sons Charitable Trust:

**Gold Medals** namely,

1. Mrs. Velumiammal Venkatesalu Naidu Memorial Gold Medal for Best Outgoing Student and
2. Mrs. Saradhamani Balakrishnan Naidu Memorial Gold Medal for Best Outgoing Girl Student.

Also **Gold Medals for First Rank holders** in each branch have been instituted. They are:

3. Sri S.N.R. Chinnasamy Naidu Memorial Gold Medal - EEE
4. Professor P.R. Ramasamy Naidu Memorial Gold Medal - ECE
5. Sri R. Doraisamy Naidu Gold Medal - CSE
6. Dr. R.Venkatesalu Naidu Gold Medal - Mechanical Engg.
7. Sri S. Selvam Memorial Gold Medal - Civil Engg.
8. Smt. Padmavathy Ammal Memorial Gold Medal - IT
9. V. Rajyalakshmi Memorial Gold Medal - MBA

Dr. R. Natarajan award has been instituted for first rank holder in the first year B.E. / B.Tech. Degree University examinations.
