

FACULTY PROFILE

Name :V. Suganya
Designation :Assistant Professor
Email ID :suganya.cse@srit.org

Area of Specialization :Data Structures,Networks

Educational Qualification:

Degree	Branch / Specialization	College	University
M.Tech	Computer Science and Engineering	Christ College of Engineering and Technology	Pondicherry University
B.Tech	Information Technology	Dr.S.J.S Pauls Memorial College of Engineering and Technology	Pondicherry University

Publications :

Journals :

1. *“A Survey for Lifetime Enhancement in Energy Efficient Cluster Head Selection Method Using Geographic Routing in Duty-Cycled Wireless Sensor Networks”* in **SJSR**(Singaporean Journal of Scientific Research), issues of IJAS.
2. *“A study on minimizing redundancy, retransmission error and routing overhead in MANET”* in **AJISN** (Asian Journal of information Science and technology).

International Conferences:

1. *“Constructing a personalized cloud via open stack”* in **International Conference** at Mahabharathi Engineering College, ChinnaSalem.

National Conferences:

1. *“Devices Reacting towards emotions through emospark technology based on artificial intelligence”* in **National Conference** at Kings College of Engineering, Thanjavur.

Seminar, Conference, Workshop Attended:

1. Attended One day workshop on *Entrepreneurship Development* organized by *Dr.S.J.S Paul Memorial college of Engineering and Technology*
