Our Legacy

SNR Sons Charitable Trust, founded in 1970 by the illustrious sons of Sri S.N. Rangasamy Naidu—Late Sri Chinnasamy Naidu, Late Prof. P.R. Ramaswami Naidu, Late Sri R. Doraisami Naidu, and Late Sevaratna Dr. R. Venkatesalu Naidu—has been a beacon of service and learning.

Inspired by the ideals of Sri Ramakrishna Paramahamsa, all institutions under the Trust bear His sacred name. Guided by His philosophy of realizing God through service to humanity, the Trust now manages 15 premier institutions, dedicated to healthcare, education, and social welfare. Its enduring commitment to accessible, quality education has opened doors of opportunity for thousands of aspiring learners.
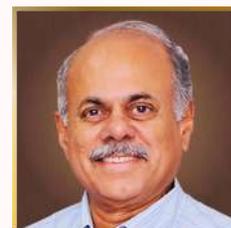

BOARD OF TRUSTEES

SRI RAMAKRISHNA
INSTITUTE OF TECHNOLOGY

OUR VISION & MISSION

MOTTO

WISDOM | DISCIPLINE | PROSPERITY

Our Vision is to develop into a World Class Technological Institute with centres of excellence in various disciplines by providing quality and value-based education with continuous upgradation of infrastructure, human resources and teaching - learning process.

VISION

Our Mission is to produce Quality Engineers, Scientists and Managers equipped with unbounded technical skills, domain knowledge and excellent moral values, for the advancement of the industry, business and for the emancipation of society.

MISSION

Welcome Message

"Education is not the learning of facts, but the training of the mind and the heart."
— Rabindranath Tagore

At SRIT, education is a journey of curiosity, purpose, and growth. We unite technology with values, nurturing innovation rooted in integrity. With inspiring faculty, active research, and strong industry collaborations, we shape not just engineers — but responsible leaders.
Join us — where learners become leaders and dreams find direction.

ALUMNI VOICES

Meet Our proud Alumni

2002 – 2006 Batch B.E. ECE

Mr.Rajiv Muthusamy
Associate Director Cognizant, Charlotte, North Carolina, USA

"I am deeply proud to be an alumnus of this institution. The technical foundation and leadership discipline I gained at SRIT were instrumental in my journey from the classrooms of Coimbatore to managing global IT portfolios in the USA. This campus didn't just teach me engineering; it shaped my confidence and prepared me to lead large-scale digital transformations on a global stage."

2006 – 2010 Batch B.E. CSE

Dr.Pradeep Rengaswamy
Senior Technical Specialist Sony India Software Centre Bangalore

"My journey began at SRIT, and it continues to shape who I am today. The strong academic foundation, research exposure, and mentoring I received here played a crucial role in my career—from my engineering days to completing my Ph.D. at IIT Kharagpur and working at Sony. SRIT is not just a campus; it is a place that nurtures curiosity, encourages deep thinking, and empowers students to dream big"

2002 – 2006 Batch B.E. ECE

Mr. Huzefa Khasamwala
Director Excellent Engineering Enterprises Coimbatore

"SRIT gave me the confidence to step into the real world as an engineer and later as an entrepreneur. The hands-on training, industry exposure, and values infused during my time at SRIT continue to guide every decision I make as a leader. It's an institution that not only builds engineers but prepares them to excel in the industry."

2012 – 2016 Batch B.E. CSE

Ms.Shaarika
Post Graduate Student Nanyang Technological University SINGAPORE

"I am deeply proud to be an alumnus of this institution. The confidence and academic discipline I gained here played a key role in my journey to pursue postgraduate studies at Nanyang Technological University (NTU), a top-ranked university in Singapore. This campus shaped my passion for learning and prepared me for bigger, international platforms."

2002 – 2006 Batch B.E. EEE

Mr.Pavitran Subramani
Lead Project Engineer (Battery Electric Vehicle Integration Team) FEV UK Ltd (Jaguar Land Rover Project) United Kingdom

"SRIT gave me the confidence to step into the real world as an engineer and later as an entrepreneur. The hands-on training, industry exposure, and values infused during my time at SRIT continue to guide every decision I make as a leader. It's an institution that not only builds engineers but prepares them to excel in the industry."

2016 – 2020 Batch B.Tech. IT

Mr.D.R.Vijay Ram
Software Developer Corvus London Ltd., United Kingdom

"The strong technical foundation I gained here continues to guide my work as a software developer. The problem-solving mindset learned on this campus shapes my career every day.This campus shaped my approach to technology and learning."

2017 – 2021 Batch B.E. CSE

Mr.Thabass
Test Engineer, Embedded validation and verification, Capgemini Engineering

"The technical rigor and hands-on training I received here were instrumental in my transition into the specialized field of Embedded Validation and Verification. This campus instilled in me the discipline and analytical mindset required to excel as a Test Engineer at a global leader like Capgemini Engineering, preparing me to handle complex technologies on a professional platform."

2011 – 2014 Batch B.E. EEE

Mr. Jeyananth Dhanasekaran
Training and Development Professional, Hitachi Energy Chennai

"Nurturing talent and driving development at Hitachi Energy is a responsibility I carry today. Thanks to the leadership qualities I discovered during my college days. The campus environment provided the perfect balance of discipline and communication skills necessary for a Training and Development professional. This institution ignited my passion for people management and prepared me for leadership in a global corporate setting."

2019 – 2023 Batch B.E. ECE

Ms.S.Prarthana
Analog mixed signal design verification engineer, Texas Instruments, Bangalore.

"The journey into the intricate world of Analog Mixed Signal design began with the strong technical fundamentals I built on this campus. The analytical rigor and problem-solving mindset instilled in me here were crucial in navigating the complexities of verification at Texas Instruments. This institution provided the perfect environment to sharpen my focus, transforming my academic curiosity into a professional passion for cutting-edge semiconductor technology."

2006 – 2010 Batch B.E. EEE

Ms Jeevitha Aruchamy
Engineering Manager Amazon Web Services USA

"The strong technical foundation and problem-solving mindset I gained here have helped me grow into my role as an Engineering Manager at Amazon Web Services. SRIT has prepared me to take on global challenges with confidence."

2016 – 2020 Batch B.Tech. IT

Ms.Preethi Hariharan
Technical Product Manager | Gen AI Practitioner | Entrepreneur | Women in STEM Ambassador Manchester, England United Kingdom

"The foundation I gained here helped me grow into a technical product leader working on global platforms. Learning, adaptability, and purpose remain central to my journey. The learning culture and mentorship I experienced here shaped my ability to lead, innovate, and build products with impact."

2006-2010 Batch B.E. CIVIL

Mr Tamizharasan Pachamuthu
Director & Writer Tamil Film Industry

"From classrooms to cinema, this institution laid my foundation. I am proud to be an alumnus and to share my journey as the writer and director of Labbar Pandhu."

2011-2015 Batch B.E. ECE

Mr Gomathi Shanker
Actor

"Grateful to my alma mater, where the confidence and discipline I gained played a key role in my journey as a lead actor in Stephen. This campus shaped my passion and prepared me for bigger platforms like the Netflix film STEPHEN."

2006-2010 Batch B.E. CIVIL

Mr. Puviarasu Muthusamy
Indian television actor, dancer and national level athlete

"This institution laid the foundation for my journey as an actor, dancer, and athlete. The values of discipline and confidence nurtured here remain a constant guide in my life."

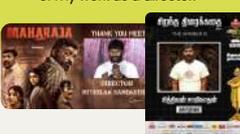

2006 – 2010 Batch B.E. MECH

Mr. Surya Vijishankar
Entrepreneur Member of VJ Siddhu Vlogs

" The creative freedom and the strong sense of community I experienced at SRIT were the foundation of my journey into entrepreneurship and content creation. This campus didn't just teach me from books; it gave me the confidence to take risks and the discipline to build something of my own. It shaped my passion and prepared me for the bigger platforms I stand on today."

2006 – 2010 Batch B.E. CIVIL

Mr. Nithilan Saminathan
Director Tamil Film Industry

"My journey into filmmaking began with the values and discipline I learned on this campus. From classrooms to cinema, the values learned here remain at the heart of my work as a director."

🔥 S-IGNITE
SRIT Innovation-Driven Growth & Industry-Tuned Education
Building Your Engineering Foundation

The core components at SRIT that build a strong foundation for your success

01 STUDENT–CENTRIC LEARNING ECOSYSTEM

Where Innovation Meets Integrity
- Outcome-Based Education with experiential learning
- Strong industry–academia integration
- Skill-driven curriculum aligned with emerging technologies
- Mentorship-focused academic environment

02 ALWAYS LEADING BY EXAMPLE

Transforming Learners into Leaders
- Record-breaking internship and placement opportunities
- Premium internships at ZOHO, Kawasaki Robotics, IITs, NITs, Codemagen, Rently
- Innovation-driven culture through research and entrepreneurship
- Continuous upskilling through certifications and industry projects

03 HUB FOR INNOVATION & ENTREPRENEURSHIP (HIVE)

Igniting Ideas & Accelerating Impact.
- Advanced prototyping and maker facilities
- AI/ML and emerging technology labs
- Collaborative innovation spaces for startups and student ventures
- Driving IIC initiatives under the Ministry of Education

04 CENTERS OF EXCELLENCE

- AI & Data Science – Building intelligent solutions
- AR/VR – Immersive learning for real–world impact
- IoT – Stay Connected. Build Smarter Systems
- Robotics & Automation – Engineering the future
- Smart Mobility
- Emerging Digital Technologies

05 GLOBAL OUTLOOK, LOCAL IMPACT

- MoUs with International Universities
- International Forums, Guest Lectures & Exchanges
- Exposure to global practices in education and research

06 ACHIEVEMENTS THAT SPEAK

- National–level awards and competition victories
- Outstanding sports and extracurricular achievements
- Active research clusters promoting student publications and patents

07 CAMPUS THAT INSPIRES

- Wi-Fi enabled smart campus
- Technology-integrated classrooms
- Well-maintained hostel facilities
- Safe, inclusive, eco-friendly and vibrant learning environment

- Quality-Driven Education
- Distinguished Educators
- Weekly campus events
- Comfortable & Secure Hostel Accommodation
- Scholarships
- Student Organizations
- State of the art facilities
- And so much more!
