INSTITUTE OF TECHNOLOGY

OUR VISION & MISSION

MOTTO

WISDOM | DISCIPLINE | PROSPERITY

VISION

Our Vision is to develop into a World Class Technological Institute with centres of excellence in various disciplines by providing quality and value-based education with continuous upgradation of infrastructure, human resources and teaching - learning process.

Our Mission is to produce Quality Engineers, Scientists and Managers equipped with unbounded technical skills, domain knowledge and excellent moral values, for the advancement of the industry, business and for the emancipation of society.

MISSION

From the Principal's Desk

It is with great pride and enthusiasm that I present the 8th volume of SRIT TIMES, our annual newsletter that chronicles the progress, perseverance, and promise of our institution. The year gone by has been marked by remarkable achievements and meaningful initiatives driven by the passion and commitment of our students, faculty, and staff. From academic excellence and research innovations to impactful outreach programs, co-curricular accomplishments, and vibrant cultural expressions, each endeavour reflects the values and vision that define SRIT. These collective efforts continue to strengthen our academic ecosystem and prepare our learners to meet global challenges with confidence and integrity. I express my sincere appreciation to all stakeholders—students, faculty members, alumni, parents, and partners—for their continued support and contributions. As we move forward, let us remain united in our pursuit of knowledge, innovation, and societal responsibility, inspiring one another to reach greater heights.

Dr. J. David Rathnaraj
Principal

From the Editor's Desk

Greetings from the Editorial Team! We are delighted to present this eighth edition of SRIT TIMES, capturing the vibrant spirit, milestones, and achievements of the SRIT community over the past year. This newsletter is a reflection of our collective growth in academics, innovation, research, and student initiatives. We thank every contributor and reader for being a part of this journey. Let these pages inspire, inform, and ignite ideas as we step into another promising year.

Dr. S. Anne Susan Georgena
Chief Editor
