Promotion of Research Policy

Research promotion policy of Sri Ramakrishna Institute of Technology (SRIT) aims to nurture and endure distinction and leadership in Research and innovation. Research scholars and faculty members will be encouraged to penetrate all emerging areas in research and achieve breakthrough in technological applications and designs. Research scholars and faculty will be encouraged to learn about the world through hands-on practical problem-solving projects. Our faculty and research scholars would be encouraged to involve in standalone/ interdisciplinary or multi-disciplinary research in finding scientific and technological solutions to current challenges at any point in time. SRIT desires to build strong, vigorous research and innovation ecosystem through,

1. Providing unstinting seed funding to faculty and research scholars to establish their laboratories to carry out research.
2. Providing travel grant to faculty, research scholars and students to enable them to participate and present papers in International and national conferences conducted by institutions of national eminence such as Indian Institute of Technology (IIT) etc.
3. Provide funding for start-ups to students and faculty members.

4. Providing faculty and research scholars are encouraged to get hold of patent & copyright of their research outcome.
5. Recognized research supervisors are awarded a monthly incentive of Rs.10,000/-. (Ten thousand rupees only)
