2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes?

The academic activities in the institution are coordinated by IQAC. IQAC meets once in three months and discusses about various activities. Seminar and guest lectures are arranged periodically to enhance the knowledge of faculty and students and improve the teaching learning process. This enables the students to grab more knowledge about the corporate world. In teaching-learning process, as part of social learning, students are asked to access NPTEL (National Program for Technical Enhanced Learning). This enables the committee to monitor all the aspects of students.

Academic Monitoring Committee comprising of Professors and Heads of departments meet to approve the course plans and internal assessments. Suggestions are recorded and carried out accordingly. Teaching-Learning process is also audited, assessed and evaluated for all courses. Apart from contribution and monitoring, the members of IQAC discuss to improve the quality of our Institution in all aspects.

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision of the Institution

Our Vision is to develop into a World Class Technological Institute with centers of excellence in various disciplines by providing quality and value-based education with continuous upgradation of infrastructure, human resources and teaching – learning process.

Mission of the Institution

Our Mission is to produce Quality Engineers, Scientists and Managers equipped with unbounded technical skills, domain knowledge and excellent moral values, for the advancement of the industry, business and for the emancipation of society.

6.2 Does the Institution has a management Information System

Yes. The Management Information System is formulated through the members of Governing Council composed of Managing Trustee, Joint Managing Trustee, Chief Executive Officer, Academic Director, Principal, University Nominee and College Committee members.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

Autonomous curriculum is effective from the academic year 2017-18. Hence, choice based credit system has been introduced and the regulations, curriculum and syllabi (1-4 semesters) have been framed following the guidelines of AICTE and affiliated Anna University. It is successfully implemented after the approval of Board of Studies (BOS), Academic Council and Governing Council. The syllabi is framed by benchmarking with reputed universities and Premier Institutes in India and abroad. The BOS includes industry and alumni experts apart from subject experts. Outcome Based Education (OBE) is already in practice in SRIT and is followed meticulously.

6.3.2 Teaching and Learning

The Teaching-Learning methodology is strictly followed as per the institution guidelines and practices. The continuous evaluation of teaching-learning process is carried out through the internal audits. The typical teaching practice is divided into Theory: Tutorial: Practical: Self-study components. The teaching-learning process involves traditional black board teaching, usage of PPTs in the class rooms, facilitating online learning, and project/game/activity based learning. Moodle Platform is used for interactions.

The evaluation consists of Internal Assessment and End Semester Examination. The final grade will be awarded based on the combined marks obtained in both internal test and end semester examination.

6.3.3 Examination and Evaluation

Affiliated to Anna University- Chennai

Evaluation:

Under University Curriculum (Second, Third and Final Years)

1. Internal Assessment (20%)

Internal Assessment Test 1 will be conducted for 50 Marks.

Internal Assessment Test 2 will be conducted for 50 Marks.

Internal Assessment Test 3 will be conducted for 50 Marks.

(Performance is considered as average of three assessments out of 20).

Tests will be conducted as per the schedule given by the university.

2. External Assessment (80%)

University will conduct End Semester examination for 100 marks

(10*2=20, 5*14=70 & 1*10 =10).

Performance will be considered for assessment out of 80.

Under Autonomous Curriculum (First Year)

1. Continuous Internal Assessment (40%)

Internal Test I and II = 20%

Assignments/Quiz/Presentation/ Laboratory experiments/ Projects = 20%

2. External Assessment (60%)

End semester examination is conducted for 100 marks and performance is assessed for 60 marks.

6.3.4 Research and Development

The participation and contribution by faculty towards R& D and Consultancy has been enhanced significantly. Almost 75% of our faculty members participate in Faculty Development Programmes conducted by IIT/NIT/Premier Institutions to update their skills and knowledge. Both faculty and students of SRIT are very active in research. To facilitate the R&D/Consultancy activities, SRIT has set up certain research labs and consultancy works. SRIT Management has instituted SRIT Research Promotion Scheme (SRIT-RPS) to create research ambience in the institution. Research proposals are invited from students and faculty and are scrutinized by an expert committee comprising of internal and external academicians. The departments are also approved centers of research under Anna University, Chennai offering Ph.D. programmes. This facilitates the faculty to pursue Ph.D.

6.3.5 Library, ICT and physical infrastructure / instrumentation

133 Mbps Internet facility

Fifty percentage of class rooms are ICT enabled.

OPAC is provided for the users in library to identify the requested resources immediately.

Laboratories were established as per Anna University norms.

6.3.6 Human Resource Management
